“Aymie proves a first-rate educator here...”

—Philip Brandes, *Los Angeles Times*

“Aymie hits the mark in a manner that’s
both refreshing and humorous...”

—*Aspen Daily News*

“Thank you for this exceptional experience for our
students and faculty... It was informative...
passionate and a compelling experience...”

—**SHIRLEY RESICH**, College of Education,
Cal State, Dominguez Hills

In over twenty years of teaching, Alan Aymie has learned public education is a battle worth fighting for, and proper battle training isn't always guaranteed. *Turning Points* details his journey from struggling Hollywood actor to a heralded school teacher and the lessons he learned along the way.

With work on Samuel Jackson's film *187* and two years as a costumed children's entertainer as training, Alan stepped into an abandoned-storage-room-turned-classroom in one of LA's most challenging neighborhoods. With teaching practices born from his years on national stages and Southern California backyards, Aymie went on to become one of the school's most beloved and successful teachers to thousands of students.

Now with *Turning Points: Tips, Tales, and Tactics of a Revolutionary Teacher*, Aymie provides teachers revolutionary lessons such as Return the Dogs, Procure Your Cannons, and Everyone Needs a Von Steuben. *Turning Points* will show every teacher how to survive the battle and win the war for public education.
